**By Car:** There is no onsite parking available onsite at either the 100 Maryleone Lane or 13-16 Manchester Street sites and parking restrictions are in place in the surrounding area. We recommed public transport as the most convenient means of reaching WSS. However, there are a number of public car parks in the local area as detailed below:

**By Underground:** The Marylebone Lane site is a 7 minute walk from Bond Street Station as indicated below. This site is also an 11 minute walk from both Baker Street Station and Oxford Circus Station.

The Hannah House site is an 8 minute walk from Baker Street Station as indicated below.

**Sports facilities:** The school's sports facilities are located at Wetherby Senior Sports Ground, Ealing Trailfinders, Ealing, W13 0DD.
